Nuestra Distribución

Warren es el líder en distribución de material equipo y material eléctrico en el Caribe. Nuestra gama de servicios se ajustan a las especificaciones de cada uno de nuestros clientes. Para Warren, no hay proyecto demasiado grande o pequeño que no podamos suplir. Es por eso que nuestros clientes nos prefieren. Nuestros empleados y especialistas luchan día a día para brindarte la mayor calidad deservicio donde, cuando y cómo lo necesites. Nuestra capacidad en logística y carga te abren a un mundo de posibilidades dentro y fuera de Puerto Rico, República Dominicana y Trinidad & Tobago. .

Nuestros productos e inventario son confiables la mayor parte del tiempo, supliendo con el menos porcentaje de errores entre exportadores, dicho por nuestros clientes. No importa la línea, esté o no esté entre nuestro inventario, sí es necesario para su proyecto, Warren la consigue durante un tiempo razonable.

Explora un mundo de soluciones en Warrenonline.net/capabilities.

- AC Disconnects
- Aerosols
- Anchoring Devices
- Automation Systems
- Ballasts
- Barcode Systems
- Batch Process Software
- Batteries and Flashlights
- Boxes
- Cable (Automation, Control, Data, Instrumentation, Power, Voice, Coaxial)
- Cable Tray
- Ceiling/Ventilation Fans
- Circuit Breakers (Miniature, Molded Case, Medium Voltage)
- Condulets
- Conduit
- Connectors, Lugs and Terminals
- Contactors
- Data/Tele Communications Products
- Dimmers
- Distributed Control Systems (DCS)
- Enclosures
- Engineering Services
- Ethernet Switches
- Exothermic Connections
- Fasteners
- Fiber Optic Cable
- Fittings
- Floor Boxes / Systems
- Fuses & Fuse Blocks
- Ground Fault Devices
- Grounding
- Hazardous Location Equipment
- Identification Solutions
- Industrial Computers
- Intrinsic Safety Equipment
- Insulators
- Intercom Systems
- Ladders
- Lamps
- Lenses
- Line Reactors
- Lighting/Lighting Controls
- Lightning Equipment
- Limit Switches
- Load Breaks
- Loadcenters
- Media Converters
- Medium Voltage Equipment
- Meterbanks
- Motors
- Motor Control Centers
- Motor Protectors
- MRO Solutions
- Myers Hubs
- Network Protectors
- Overload Relays
- Operator Interface/Human Machine Interface (Hardware and Software)
- Panelboards
- Patch Panels
- Patch Cords
- Programmable Logic Controllers (PLC's)
- Pilot Lights
- Pipe Straps
- Pneumatic Components
- Poles (Lighting and Power)
- Power Supplies
- Pushbuttons
- PVC Conduit and Fittings
- PVC Coated Conduit and Fittings
- Relays
- Safety (Machine Safety Products)
- Seal Tight Flex Conduit and Fittings
- Selector Switches
- Sealants
- Sensors (Infrared, Laser, Motion, Proximity)
- Seminars (Product and Technical)
- Signaling
- Smoke Detectors
- Starters
- Straps
- Strut Systems
- Splicing Kits
- Stacklights
- Substations
